# LISLE TEENS *with* CHARACTER

---

## Lisle Teens with Character COVID-19 Procedures

### RSVPs Required for All Events

- Teens will need to RSVP to all meetings and service projects
- Certain meetings and projects will be limited in size to allow for social distancing. If we reached capacity, members who did not RSVP will not be able to attend.

### Face coverings

- Participants, staff, and volunteers must wear face coverings over the nose and mouth at all times.

### Cleaning & Disinfecting Procedures

- All surfaces and supplies will be disinfected before and after use.
- Members and staff will wash or sanitize their hands upon arriving to a meeting or project and frequently throughout the duration of the event.

### Social Distancing

- Participants will stay 6 feet apart.
- Leaders will plan activities with social distancing in mind.

### Drop off/Pick up

- Parents will remain in their car during drop off and pick up.
- If parents or LTWC leaders need to talk at the end of the project or event, they can call in advance to set up a meeting.

### Self-Assessment

Prior to reporting to any LTWC event/meeting, please ask your child the following:

1. Do you have symptoms of COVID-19 illness (fever, cough and/or shortness of breath, chills, repeated shaking with chills, muscle pain, headache, sore throat, loss of taste or smell)?
2. Do you have a fever at or above 100.4 degrees Fahrenheit?
3. Do you feel sick?

If your child answered “YES” to any of the above three questions, **do not proceed to the program and notify the program manager**. Participants who are experiencing COVID symptoms should call their doctors and follow CDC guidelines.

### **Returning to LTWC**

Before being granted admittance back to Lisle Teens with Character after exhibiting COVID 19 symptoms, participants must have

- Gone 24 hours without having a fever without fever-reducing medicine, **and**
- Other symptoms have improved, **and**
- At least 10 days has passed since their symptoms first appeared.

If a participant does contract COVID-19, they should remain isolated at home for a minimum of 10 days after symptom onset and can be released

- After feverless and feeling well (without fever-reducing medication) for at least 24 hours **OR**
- Has 2 negative COVID-19 tests in a row, with testing done at least 24 hours apart.

If the participant has been away from the program based upon the order and/or recommendation of the patron’s physician, we will require a note from a physician indicating that the patron can return to the program.

### **COVID-19 Precautionary Procedures**

If a participant begins to feel COVID-19 symptoms while at the program, they will be sent home. They will wait in a designated isolation area with one employee until a parent or guardian can pick them up.

Before being granted admittance back to the park district program after exhibiting COVID-19 symptoms, participants must have

- Gone 24 hours without having a fever without fever reducing medication, **and**
- Other symptoms have improved, **and**
- At least 10 days has passed since their symptoms first appeared.

If participant does contract COVID-19, they should remain isolated at home for a minimum of 10 days after symptom onset and can be released

- After feverless and feeling well (without fever-reducing medication) for at least 24 hours **OR**
- Has 2 negative COVID-19 tests in a row, with testing done at least 24 hours apart.

### **Positive Case of COVID-19**

If a participant or staff member has contracted COVID-19, a message will be sent to anyone who has had close contact with that participant. They are advised to quarantine 14 days after the last recent contact with the individual and seek a COVID-19 test. Please notify the program manager immediately if you have received a positive COVID-19 test result.
